

# FRIENDS OF THE RIDEAU

## Join the Friends of the Rideau and get your business advertised on the Internet.

The Friends of the Rideau, a non-profit organization, is a member of the Canadian Parks Partnership, a national organization that co-operates with Parks Canada to help all Canadians enjoy our Parks and Historic Sites. We work hard to:

- enhance and conserve the heritage and charm of the Rideau Corridor
- promote public awareness and enjoyment of the Rideau Corridor
- encourage increased tourism in the Rideau Corridor

As a bonus for our business members, we will be providing free Internet advertising. A small business membership will get you a "quarter page"<sup>1</sup> ad, a large business membership will get you a "half page"<sup>2</sup> ad. The ad for your business will be placed in the Friends of the Rideau section of the Rideau Canal Waterway Internet Website, the main source for Rideau Corridor information on the Internet. Check it out at [www.rideaufriends.com](http://www.rideaufriends.com)

More and more people are using the Internet as a source of information each day. If you already have an Internet website, we'll link your Friends of the Rideau ad to it.

Sample quarter page ads are shown below. Use the other side of this page to fill out your membership information, plus information for your Internet ad.

Join the Friends of the Rideau today. It's just good business.
